Subject: Asland and Tracee Carey's Zoning Bylaw Application

To all it may concern

My name is Katy Stewart and I am a full time resident of Lasqueti Island. I am writing in support of Asland (John) and Tracee Carey and their dock application. I would like to see this approved. There are very few docks around Lasqueti and being an island they are of great importance for both safety and convenience. Asland and Tracee have been generous in allowing others to use this dock and it is an asset to the area.

I would like my opinion to be included as support and form part of the official record regarding application number

LA-RZ-2023.1 LTC

Best regards

Katy Stewart
