

Lasqueti Trust Committee

John Barrett

Breifly, here are my commentson the draft proposed OCP

Generally well done. Some items I would like to see improved

General Objectives 1. All Crown Land shpuld be transfered to the Islands Trust Fund for preservation.

2. No log dumps. No export of raw logs.

3. Transportation, general objectives... To maintain a foot passenger only ferryonly, not to include 7 day a week service.

Land use 3.5 page 26 policy 3 change to or add... "Guest cabins not to exceed 600 square feet in size"

So, generally good. Only these small changes please.
