Notes:
1) Further information on Development Permit Area designations for specific species is included in Article 5.2.8.2 of the North Pender Island Official Community Plan No. 171, 2007, including the requirements for species specific breeding timing windows.
2) In some instances, exact nesting tree location coordinates have not been field verified. In those cases, where a discrepancy exists between the digital record and the actual location of the nesting tree, the minimum buffering radius distances apply to the actual location of the nesting tree as verified by a qualified professional.
