Dear Referral and Tsawwassen First Nation Referrals Coordinator(s),

Islands Trust respectfully acknowledges that the Islands Trust works within your unceded traditional territory.

We are reaching out to seek feedback from Tsawwassen First Nation on 116 Jackson Avenue, Salt Spring Island.

Please visit our current application webpage at <https://islandstrust.bc.ca/island-planning/salt-spring/current-applications/> for relevant background information on the application.

We are interested in knowing how you might like to work with us to provide feedback and can meet with you at your convenience. We understand that there may be information in the document that prompt questions and encourage you to get in touch for any clarification that would help inform your referral response. We respectfully request your referral response on, or before, July 4, 2026. Please be in touch if you would need more time.

We look forward to working with you on recommendations to further refine the bylaw so that Islands Trust can have a stronger foundation from which to deepen its cooperation with Indigenous Governing Bodies on planning and land use management decisions that affect the islands and waters of the Salish Sea. Please contact Planner Milad Panahifar at mpanahifar@islandstrust.bc.ca or 250-538-5602 if you would like any further information about the bylaw or its development and approvals process.

Sincerely,

Britt Holowaty
