

SS.RZ.2017.3

Dear  
Member of Local Trust Council

I am opposed to rezoning 2188 North End Rd. Salt Spring Island.

Twice the planners have recommended to not proceed. Their reasons are stated in their report.

I understand that despite a number of [REDACTED] actions since 1998, the owner has continued to use the building as a rental cottage in contravention of the Salt Spring Island Land Use Bylaw.

Rezoning does not seem to be the best way to solve [REDACTED] and non compliance with safety issues.

Local Trust Council has Bylaw 512 which has been developed to encourage safe affordable housing, being mindful of the ecology.

Thank you for your attention to this matter.
