Subject: Salt Spring Island Proposed Bylaw No. 521 - 2188 North End Road, SSI - BC Transit Response

Hi Daniela,

Thank you for providing us the opportunity to review the proposed referral.

BC Transit is generally supportive of the rezoning. It is worth noting that the lot in question is not within an area currently served by transit nor does the recent Transit Future Service Plan (completed 2021) identify priorities to serve this area in the near future.

Please let me know of any questions or concerns!

Cheers and happy New Year,

Tristan Ford, BAsC, EIT, PMP (he / him)
