Dear Jamie Harris and Laura Patrick,

I reside at [REDACTED] on Salt Spring and employ Mid-Isle Marine to maintain and fix my metal boat. I believe Mid-Isle provides an essential service to the Salt Spring boating community and fully support their application SS-RZ-2019.1 to obtain permanent commercial zoning. I consider Mid-Isle's current location as being fully appropriate for commercial operations.

All the Best,

Jim Heppell, Juris Doctor
