Cc: Nick Williams
Subject: Mid Isle Marine

Trustees:

We support Mid Isle's application for permanent commercial zoning. We reside at [REDACTED] on Galiano Island and we, along with many of our neighbors, rely on the services Mid Isle provides as we are boat access only. We do not have any alternatives that are close by.

Jobs are important everywhere in the Gulf Islands and we feel the trustees should be encouraging Nick Williams to hire as many employees as possible.

Please approve the application.

Bruce and Dee Dee Matheson
