Subject: permanent commercial zoning

Re:
Salt Spring Island Trustees Jamie Harris and Laura Patrick Public Hearing to be held at Meaden Hall on Thursday, October 16

I am sending this as a letter of support for Nick Williams, Mid Isle Marine & Equipment.

Nick has given superior service to my wife and I for over 20 years beginning when he was apprenticing at the business he eventually took over.

We totally trust him and really like him.

We endorse his endeavour and support his application for permanent commercial zoning.
