Dear Ms. Patrick and Mr. Harris

Re: Rezoning Application, File SS-RZ 2019-1  
Mid Isle Marine and Equipment  
248 Upper Ganges Road

I am writing to express my strong support for the Rezoning Application for the property containing Mid Isle Marine and associated users at 248 Lower Ganges Road. Mid Isle Marine is an excellent local business providing crucial services and support to the recreational and professional marine, landscaping, gardening and agricultural communities on Salt Spring Island and throughout the Gulf Islands. I have appreciated the excellent services of Mid Isle Marine for several years and have been very impressed with the manner in which the property has been operated and improved during that time.

Thank you for receiving my support and please do not hesitate to contact me should you have any questions or need any additional information.

Yours very truly,

Jim Johnston
