Subject: Bylaw 537

>>

>> Hello,

>>

>> I am writing in regard to the recently bylaw 537.

>>

>> My wife, 2 kids and myself are currently building a house on our 3

>> acre property "[REDACTED]" which allows a Principle Res and 600 sq ft cottage Currently we are living in a 900 sq ft home on this property. A condition from the Islands trust is that we will have to remove the current home once the new home is completed. This current home is a very comfortable and safe home. It would be ashamed to remove it from the property.

>>

>> We are writing to you now to please consider adding our property to the newly passed bylaw 537 map which allows us to make this 900 sq ft building a full time rental, which is desperately needed in this community.

>>

>>

>> Best,

>>

>> Gord, Zena, Gemma and Boden Akerman
