I am concerned that Bylaw 528 does not stipulate that the new suites or small residences it would permit would be for long term living and not short term rental.

I ask that the LTC:

- MAINTAIN the current Official Community Plan limit on island residences, including suites. 17,000 is already a very large future population for our island
- does not make significant changes to our Land Use bylaw and our Official Community Plan without informed community input.

Warmly,
