Subject: Lack of affordable housing

Dear Trustees,

I am writing to offer my support of bylaw 530, because [REDACTED] on the island I recognize how desperate our housing situation is becoming, and bylaw 530 would make substantial progress to address it. I strongly feel that the amendments proposed by the Housing Action Program Committee should also be adopted.

I have been a Salt Spring resident for the past [REDACTED] years and have moved [REDACTED] times within that time. I have full time year-long employment which is jeopardized by the lack of housing. I was recently evicted from my [REDACTED] apartment [REDACTED] I was given ample notice and have been looking for months for a new place. [REDACTED] [REDACTED] at this time on Salt Spring.

Sincerely,

Marie-Soleil Jasmin
