**Subject:** Making affordable housing a priority

Laura Patrick,

Dear Trustee staff,

I am writing to add my voice to the group which is asking that the Islands Trust make housing a Top five priority on Salt Spring Island. [redacted]  
[redacted]. I cannot begin to imagine how so many young and low to middle class people find suitable, affordable housing on this island. We need to make housing for people of all walks of life a priority!

Thank-you,  
Jeanie Gray
