Subject: Agenda Item for October 6, 2020 LTC meeting

As a member of the Salt Spring Island community and a person committed to responsible land stewardship and healthy, thriving communities, I request the Local Trust Committee (LTC) make the Housing Working Group Project a priority both at the upcoming October 6th Town hall meeting and going forward in the LTC allocation of staff resources. [REDACTED] and I look forward to hearing what is created in service of a thriving future for our community.
