

October 1, 2020

Dear Chair Luckham, Trustee Grove and Trustee Patrick,

On behalf of the Salt Spring Island Chamber of Commerce and its members, we write to you to support a blanket approval to temporarily cover and/or enclose outdoor areas to expand restaurant/coffee shop seating. This approval will enable restaurants and coffee shops the opportunity to generate some additional revenue through the fall, winter and spring and create a better quality of life for island residents.

Sincerely,

A handwritten signature in black ink that reads "Li Read".

Li Read
