**Subject:** Housing Working Group proposal

To Trustees Peter Luckham, Laura Patrick and Peter Grove,

What brilliance, hard work and creativity are evident in the Housing Working Group Proposal soon to be presented at the Salt Spring Island Local Trust Committee (LTC), Tuesday, Oct. 6!

Integrating various forms of housing with a top priority of respecting the environment meets the mandate of the Island's Trust, "to preserve and protect".

Here is a solution that has done its homework and due diligence - aligning this housing crisis with other crucial efforts such as the Climate Action Plan, Coastal Douglas fir protection, and Reconciliation.

Please, I urge you to move quickly to adopt this proposal which would project the Gulf Islands into the forefront as leaders in the province.

Sincerely,  
Kathleen Maser
