Subject: Proposal to Rescind Bylaw 122

Dear Trustees,

I wish to register my support for the repeal of Bylaw 122. I believe this was passed without adequate consultation with members of our community and in the face of substantial opposition to it. In my view, the Bylaw should be repealed and we can then have the fulsome community consultation that will result in a land use bylaw that can be supported by the majority of our residents. This time, we will at least have a Board of Variance to weigh in on the topic, as we should have had the last time this topic arose.
