Subject: I support bylaw 122

Dear Trustees:

I am writing to affirm my support for Bylaw 122.

This bylaw is supportive of the “preserve and protect” objectives of the Island Trust Act. It is consistent with our South Pender OCP.

David Joel Rippner

[REDACTED] resident land owner

--

I acknowledge that for thousands of years the W̱SÁNEĆ peoples have walked gently on the unceded lands where I now live and play. Let us build a new relationship with the first peoples; one based in honour and respect.
