

Minor LUB Amendments - Charter v3

South Pender Island Local Trust Committee

LTC Endorsement Date: Sept 13, 2024

Purpose: To consider targeted amendments to the South Pender Island Land Use Bylaw (LUB).

Background: Bylaw No. 122 was adopted in September 2022 which included a number of LUB amendments including new agricultural regulations, reduction to residential dwelling maximum floor areas, increasing setbacks for new residential dwellings and cottages, increasing the setback to the natural boundary of the sea, and other minor amendments. These amendments will be reviewed to determine if they should be removed, amended, or retained in the current South Pender and to ensure multiple opportunities for community engagement throughout the project process.
